Imagine the freedom of selecting a polyurethane fabric that provides a full range of performance and protection solutions for any project, inside and out! Created to safeguard against the likes of active use and harsh exposure, these hardworking, pvc-free fabrics are an enduring upholstery essential. A quality construction provides durability, ease of care and a sustainable presence, all the while, looking and feeling great.

All Indoor/Outdoor products are high UV and anti-mildew.
***** Cora Indoor/Outdoor features antimicrobial protection and antibacterial resilience.
****** Brisa® Indoor/Outdoor and Brisa® Distressed Indoor/Outdoor feature breathable technology.
